Welcome to the 2020 Spring Newsletter

It's been nearly 12 months since I took up the post of Director of Pensions Administration for Local Pensions Partnership (LPP) and what a year it has been! I am immensely proud of the progress our teams have made; delivering stability and improved member experiences.

After ensuring that the business was achieving all Service Level Agreements with clients, the focus is moving to deliver qualitative results as well as quantitative results. In order to do this, it's really important to us that we understand what you think about our service and what you would like to see us improve on. We've implemented member satisfaction surveys to hear your opinions – when you call our Pensions Helpdesk; at the end of the retirement process and after we've resolved complaints.

There are a number of strategic change programmes starting across the business. We are reviewing our core IT systems and will replace those that are not fit to support us in delivering enhanced member experience.

We are also looking to improve our member communications – ensuring that we move away from pensions jargon and communicate in ways that everyone can understand.

I am hugely excited about the opportunities we have to develop LPP Pensions Administration further and improving our service to members, employers and clients.

I hope you enjoy this newsletter and as always welcome your feedback on any of the services we provide.

Jo Darbyshire
Director of Pensions Administration

Recent Court Rulings

Age Discrimination

You may be aware of the recent court case following the introduction of the Career Average Revalued Earnings (CARE) pension for firefighters and the judiciary. The case centred on the decision that only those closest to their schemes Normal Pension Age (NPA) would receive full transitional protection. As a result of the government losing the court case, we expect amendment regulations to be introduced in the next 18 months which may involve a change to a number of members pensions who have retired since 2015. We will be contacting those affected once amended regulations have been released.

Opposite Sex Civil Partnerships

The Government recently extended the Civil Partnership Act 2004 to include opposite-sex couples. The change is in response to the Supreme Court ruling that it was unlawful to deny opposite-sex couples the right to enter a civil partnership. The 2019 Act took effect from 26 May 2019.

The intention for the purposes of the pension scheme is that opposite-sex civil partners will be treated in the same way as those in an opposite-sex marriage.

Pensions Increase 2019/20

The government has approved the rate of increase for all public service pensions. The increase is effective from 6 April 2020 and is 1.7% for all pensioners in receipt of their pension from 8 April 2019 (except those under 55 who retired on grounds other than ill health).

The increase is set in line with the Consumer Price Index in September 2019. It does not reflect the performance of the Pension Scheme and we do not have the power to pay any additional increase.

Please find the increase amounts below, these are pro-rated depending on the date your pension started.

For pensions which began before 8 April 2019 the increase is 1.7 per cent. For pensions which began on or after 8 April 2019 the increases (following the calculation set out in article 3) are as follows.

Pensions Beginning	Increase
8 April 2019 - 21 April 2019	1.70 %
22 April 2019 - 21 May 2019	1.56 %
22 May 2019 - 21 June 2019	1.42 %
22 June 2019 - 21 July 2019	1.28 %
22 July 2019 - 21 August 2019	1.13 %
22 August 2019 - 21 September 2019	0.99 %
22 September 2019 - 21 October 2019	0.85 %
22 October 2019 - 21 November 2019	0.71 %
22 November 2019 - 21 December 2019	0.57 %
22 December 2019 - 21 January 2020	0.43 %
22 January 2020 - 21 February 2020	0.28 %
22 February 2020 - 21 March 2020	0.14 %

Benefits and Data Matching

If you are claiming any type of benefit, for example housing benefit, you need to declare that you are drawing a pension. This is because its value may affect your entitlement to benefits. Failure to do so may be considered a form of fraud and may lead to an overpayment of benefits. You should notify your benefits office of any changes as soon as possible.

Key payroll data and identifiers such as contact details may be provided to bodies responsible for auditing and administering public funds for the purposes of preventing and detecting fraud.

National Fraud Initiative

As part of the National Fraud initiative organised by the Cabinet Office and carried out under the Local Audit and Accountability Act 2014, regular checks are carried out to ensure our records are up to date in relation to members who may have passed away and do not have next of kin who can inform us.

Unfortunately, this does not include members who reside overseas and therefore, should this apply to you, you will be periodically contacted and asked to complete a declaration of life. It is important that you respond to our request in a timely manner so we can continue paying your pension without any issues. This exercise is undertaken not only to protect public funds but also so we can contact any beneficiaries who may be due payments under pension scheme rules.

Protecting Yourself Online

Online scams and how to avoid them

Numerous scams are in operation to get you to provide personal details, such as your bank account or credit card details, for fraud. Be wary of anyone who asks for your bank or credit card details. Phishing is a mostly email-based scam that lures you under false pretences to websites which look legitimate to get you to provide personal information. Such emails appear to be from recognisable sources such as banks but link to fraudulent websites.

- If in doubt, don't open emails or attachments.
- Before disclosing any personal information online, make sure you know who you are dealing with.
- Be suspicious of anyone who asks for your bank account or credit card details or asks for your password.
- Examine the email sender's address carefully before opening an email, and do not click on any links or email attachments unless you are sure of the sender's identity.

Check that the link looks correct before you click on it – if you are using webmail in a browser, hovering over the link with your cursor should allow you to see the actual link in the bottom left corner of your browser. As a rule, don't click on any links in emails unless you've requested the email - visit the website you're being asked to by typing the address in manually, using a bookmark or a search engine.

How to protect your identity online

Do not make too much personal information available to lots of people, for example by having open access on social networking sites. Your personal information can be used to steal your identity. Only use secure sites when shopping online – secure sites usually carry the green padlock symbol in the address bar. However, this on its own is not a guarantee that you're visiting the site you think you are – make sure the address for the website is the one you would expect as well.

Be careful when providing your:

- Full name
- Full address
- Date of birth
- Telephone number
- National insurance number
- Birthplace
- Previous addresses
- Bank account details or payment card details
- Account information

When choosing a password, avoid obvious choices such as mother's maiden name, child's name, pet's name, or other references that someone may be able to find out through information you have posted elsewhere. Try to use random mixtures of numbers and letters. Use different passwords for different sites. For more on online safety visit: <https://ico.org.uk/your-data-matters/online/social-networking/>

COVID-19 Scams

With the recent outbreak of COVID – 19 there has been a reported rise in fraudulent activity, many people want to do their bit to help elderly and vulnerable neighbours, but be extra vigilant off and online when accepting help or being asked to provide information related to the current situation.

The Local Government Association advises that anyone stuck at home without food or medical supplies or is lonely due to self-isolation and does not have family or neighbours they can rely on should contact their local council for assistance.

Find your local council online: www.gov.uk/find-local-council. If you do not have access to the internet use **BT operator services: 118 500**

The National Trading Standards Scams Team has a Friends Against Scams Initiative which aims to protect and prevent people becoming victims of scams. For more information visit their website: www.friendsagainstscams.org.uk

The Silver Line

Sometimes you just want someone to say goodnight to

The Silver Line, a helpline dedicated to providing support for older people living with loneliness and social isolation, has received in excess of 2.5 million calls since it was established in 2013. In October 2019 they became a subsidiary of Age UK.

Close to 1,500 people per day reach out to the helpline. There are thought to be around 1.2 million chronically lonely older people across the UK. That number is set to rise to 2 million by 2026 and The Silver Line is the front line of defence, combatting the destructive effects of this issue. Available 24 hours, 7 days, 365 days a year, it is the only free, national, confidential helpline offering information, friendship and advice to older people.

Over half of the people that call The Silver Line say that they have nobody else to speak to, the vast majority of them live alone and have very little human contact from day to day. Without our wonderful staff and volunteers, these people would be utterly isolated.

The Silver Line is providing a vital public service, funded entirely by charitable giving. It needs public support if it is to continue meeting and expanding in line with demand. To find out how you access their service or volunteer, visit www.thesilverline.org.uk/what-we-do alternatively phone **0800 4 70 80 90**.

Abatement

If you are a Police Pension Scheme pensioner resuming service as a regular officer, you should note that the police authority may at their discretion withdraw the whole or part of your pension payments during any period in which you serve in any force as a regular police officer. This is known as abatement.

The Home Office recommends that abatement should entail withdrawing so much of your Police Pension Scheme pension such that the total of pension and pay on re-joining does not exceed the rate of pay before retirement. If your current pay at least equals your previous pay, your pension is likely to be wholly withdrawn during the second period of your service, but you will be able to retain your lump sum and your new salary will not be affected.

P60s and Pay Advices

Unless you have opted out of electronic communications you will no longer receive paper P60s or pay advices. Your electronic P60 will be available to you within 'My Pension Online' by 1 May 2020.

If you have already opted out of electronic communications, you will receive your P60 through the post by 29 May 2020. Electronic pay advices will be available online for all pension payments, while paper pay advices will only be issued when there is a variance in net pay.

We are committed to electronic communications so that we can provide you with the most efficient service. You do not normally need to have a paper copy of your P60 unless you submit a self-assessment tax return.

Visit '**My Pension Online**' to sign up. Your P60 will be found in the 'Member Documents' Section.

Power of Attorney

We have a few pensioners who, as time goes by, need a bit of help from relatives or friends with their financial affairs.

This is not a problem, but to enable us to take their instructions about change of address or bank details, we require evidence of either a power of attorney or Court of Protection order. Unless you have a power of attorney already, loved ones would need to apply for one through the court, which can prove long and costly.

For more information on how to make a power of attorney visit:
www.gov.uk/power-of-attorney

Did you know if you applied to register a power of attorney from 1 April 2013 to 31 March 2017 you can get part of your application fee refunded. This is because it is now cheaper to process a power of attorney than it was previously. For more information visit: www.gov.uk/power-of-attorney-refund

General Data Protection Regulation (GDPR)

Local Pensions Partnership are fully compliant with the GDPR and Data Protection Act 2018 regulations that came into effect on 25 May 2018. This will not impact the way you receive your pension. However, it does change the way we hold and process your data.
